Your safety is our primary concern. Furthermore, having insurance will offer peace-of-mind to both students and families before starting out on their studies.

2 What does the insurance cover?

For full details of what is covered by the insurance policy, please refer to the policy document. The insurance will cover many unforeseen events and conditions that would affect the beneficiaries health, finances or long-term well-being.

3 Is there anything the insurance does not cover?

Yes, as with all insurance policies there are a number of general exclusions listed in the group policy under 'general exclusions' which should be read carefully in addition to the 'What is not covered' sections of the group policy. Please also note that under most sections of the group policy the beneficiary will be responsible for paying the first £50 of each and every claim. It is the responsibility of the beneficiary to read and ensure that they understand the group policy.

The beneficiary must report to the local Police in the country where the incident occurred within 24 hours of discovery, or as soon as possible after that and obtain (at their own expense) a written report of the loss, theft or attempted theft of all Baggage.

If Baggage is lost, stolen or damaged while in the care of a carrier, transport company, authority, hotel or the beneficiary's accommodation provider the beneficiary must report to them, in writing, details of the loss, theft or damage and obtain (at their own expense) written confirmation of the loss. If Baggage is lost, stolen or damaged whilst in the care of an airline the beneficiary must

We realise that when a claim is made it is a very stressful time. A dedicated team of travel claim handlers will make the claim as stress free as possible and help to answer any questions there may be.

8 Can the school staff assist me with making claims and in emergencies?

All claims must be made by telephoning either of the numbers above in section entitled "how to make a claim" or online, or via email, depending upon the nature of the claim, staff can help make this call if required.

There is no refund due even if no claims are made during the period of insurance.

10 What is the period of cover?

Cancellation cover is operative from the time you are accepted for cover and shall terminate when you leave your home to commence your trip. For all other sections of the group policy, the insurance commences when you leave your home to commence the trip and terminates at the time of your return to your home in your home country on completion of the trip.

You may withdraw from participation in the group policy at any time by giving notice of that intention to the group policyholder. Any return of Standard Travel plus private Medical insurance will be calculated from the date such participation ceases, provided you have not travelled or been the subject of a claim during any period for which cover was provided, in which case no refund will be due. We reserve the right to charge a reasonable administration fee.

(Please note: Cancellation cover is operative from the time you are accepted for cover. Therefore, if you withdraw from participation in the group policy you will be charged for the period between being accepted for cover and your travel departure date).
